John Fleming - Events Performer - Testimonials

“John is an absolute pleasure to work with. It is obvious he puts in a lot of effort pre event. His research into our Industry and the particular regions our awards were held in was outstanding and added to his performance on the night. His energy and enthusiasm engaged the audience right from the start. We have had such positive feedback. He is a true professional and we would most certainly work with him again on future events!”

“I gambled my reputation, marriage and house on John's talent and ability to deliver something funny and usually musical, whenever we've shared a stage. The least you can do is gamble the cost of your internet provider and send John an email. He's a focused, reliable, indescribably talented, tall, Adonis-like, superbrain entertainer and songwriter. Really.”

Rachael Berger, Comedian, Actor, Writer

“John was a tremendous hit on the night (of our wedding reception). We got fantastic feedback from so many of our guests about him. He played a great mix of music that suited the crowd perfectly. He has such a natural manner with people. My Dad thoroughly enjoyed singing a Johnny Cash song with him on the night. The song he wrote for us was awesome...very funny. We loved it! It was one of the highlights of the night. He is a highly talented & gifted musician & we were thrilled that he did such a fantastic job on our special day. We would highly recommend John for future work.”
